Free Cash Flow (\$B)	50.1	53.0	54.0	38.0	25.9
EPS (Diluted)	\$0.98	\$1.26	\$1.43	\$1.86	\$1.59

SEGMENT PERFORMANCE

AWS continued strong growth at 17% YoY. North America segment revenue was \$92.9 billion. International segment revenue was \$33.5 billion. Alexa and Echo devices showed strong holiday season momentum. Kindle and Fire TV continue to expand content partnerships. Risk factors include macroeconomic uncertainty, competition from Microsoft Azure and Google Cloud, and regulatory headwinds in EU markets.
